Cisco: Networking Essentials, Cybersecurity Essentials, IT Essentials, Introduction to Packet Tracer, Introduction to Cybersecurity
Salesforce Superbadges: Apex Specialist, Authentication Governance, Approval Process Management, Multi-Factor Authentication (MFA) and Single Sign-On (SSO) Settings, Screen Flow Fundamentals, Security and Performance, Object Relationships, Configure Agentforce for Service

Achievements & Involvement

AWS Cloud Internship | Accenture Philippines 2026

- Learned the AWS ecosystem, the services they offer, and how applications can be architectured within the cloud.
- Architectured a secure, multi-AZ VPC environment with both public and private subnets that uses NAT and Internet Gateways to stay private and secure while also accommodating sensitive database workloads.

Salesforce-Supported Virtual Internship | Philippines 2025

- Finished Salesforce-backed internship program that concentrated on CRM, cloud technologies, and real-world industry applications.
- Worked alongside teammates on structured projects to replicate real-world use cases within the Salesforce ecosystem.
